SCIENCE: INSECTS

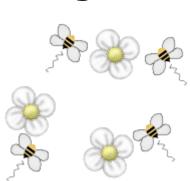

Listen and repeat

Butterfly, butterfly
Where do you fly?
So quick and so high
In the blue, blue sky.

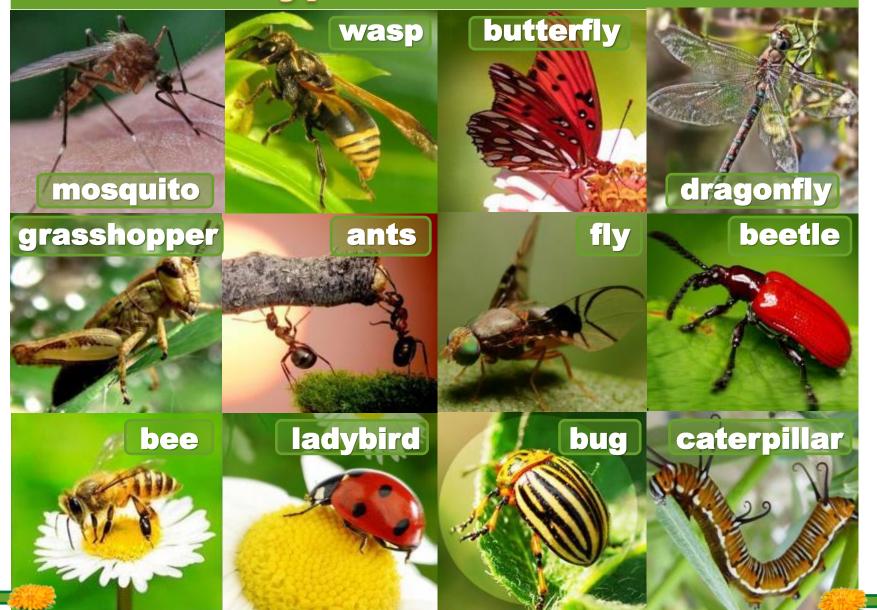

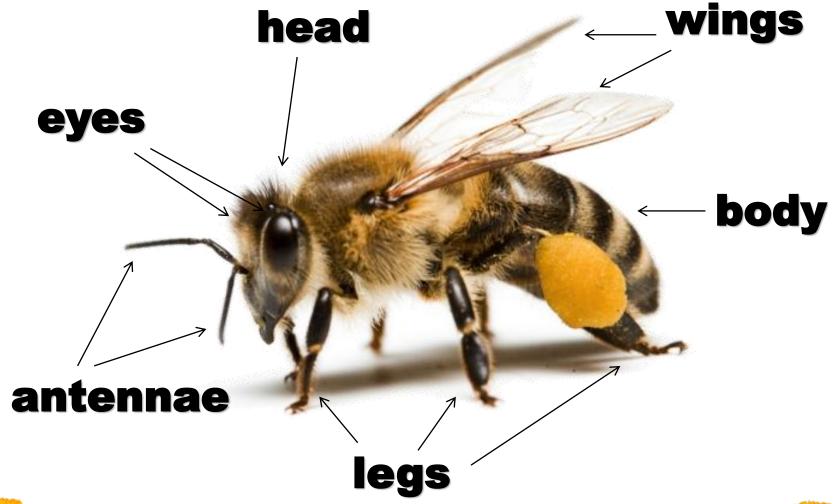

What insects can you name?

Types of insects

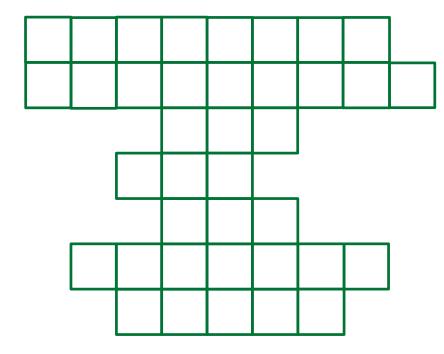

What has the insect got?

Do the crossword

Across:

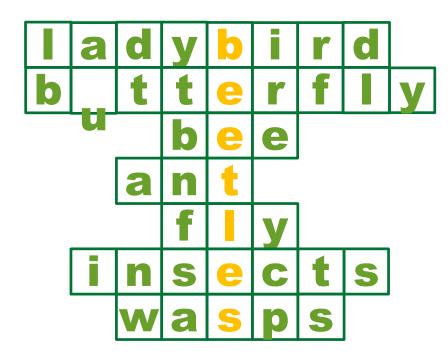

- 1. It has got red wings with black spots.
- 2. It has got four beautiful wings.
- 3. It makes honey.

Down: They live in May.

Do the crossword

Across:

- 1. It has got red wings with black spots.
- 2. It has got four beautiful wings.
- 3. It makes honey.
- 4. It is very hard-working.
- 5. It can be different colours and flies even in our houses.
- 6. The type of animals that can fly and lay eggs.
- 7. They look like the bees.

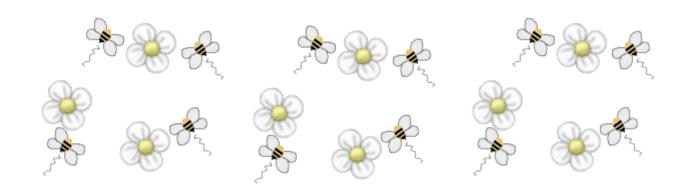

Down: They live in May.

Let's relax

Let's fly like a butterfly Let's jump like a grasshopper Let's fly like a fly Let's walk like a ladybird.

Answer the questions

- 1. How many insects are there in the world?
- 2. Where do they live?
- 3. Why are insects important?
- 4. What can bees do?

- 1. About 10 million types of insects.
 - 2. In our houses, near water, in fields, parks, gardens and forests.
 - 3. They eat dead leaves and other waste. They are food for birds and other animals.
 - 4. They make honey.

Fill in the gaps:

There are about ... million types of insects in the world. These little creatures live in our ... and gardens. Some live near water, others live in fields, ... and forests. Some ... come out during the day while others come out at night. ... are really important. They keep our gardens clean because they ... dead leaves and other waste. They are also an important food for ... and other animals. Some insects, like bees even make food-

_ _ _ _

Tell us about insects:

beetle They are They have They can...

... (colour). got...

grasshoppers They are ... They live They can...

(colour). in...

Your homework

Become a garden detective:

- draw the picture of any insect you can find in the garden
- write about this insect
- talk about your insect to the class

Let's summarize everything we know about insects!

- 1. What are we talking today about?
- 2. Give 2 adjectives describing insects.
- 3. Now give 3 verbs describing insects.
- 4. Give 4 words or one sentence, describing them.

Thank you for your work!
